## News of Surrounding District

### WITASKIWIN.

**Bulletin News Service.**  
A very unusual intellectual treat was the science program at the kindergarten, Saturday evening. "Fishes of Alberta and Adjacent Waters," by Frederick F. C. Whitson, was an exhaustive treatise of names and kinds of fish, their habits and economic value and qualities of sport. The speaker's statement that the fishy trout trout was taken from a lake, Mr. Manly reported that he had been successful in taking them in that manner. It was pointed out that the government check, but was incorrect to several species in Alberta, and data to correct same had been forwarded to Ottawa. Mrs. W. Cassin followed with a paper on "Water Birds of Alberta." Mrs. Cassin has two homes, one on the bank of the river at Deer and one at Stiven lake. This gives her opportunity to observe bird movements from the first ducks, which come to the river before the lakes are open, to the last straggler in the fall. She has a pair of strong binoculars and the sum of her observations extending over many years made a delightful narrative, interspersed as it was with wit and humor, as she interpreted the movements of her feathered friends from the human viewpoint.

Dr. Harry George, who has the largest private museum in the province, talked on "Fishes of the Mountains of Alberta," and illustrated his remarks by skulls and skeletons of the same. He, too, brought first-hand knowledge to his theme, and the entertainment of a life-long collector. He addressed himself directly to the young people of the audience on many occasions.

"Faunal Zones of Canada," was a scholarly contribution to that theme, showing wherein recent data would necessitate changing the boundaries of the intermediate zone, and explaining why. The speaker, Mr. J. H. Ross, director of the Provincial Natural History Society of Alberta, arranged for the meeting, and Mr. Ross thought the paper on fishes should be printed and made a permanent contribution to our knowledge on that subject. Wednesday, Feb. 14th.

### STONY PLAIN.

**Bulletin News Service.**  
The regular monthly meeting of the Women's Institute was held at Mrs. C. Macpherson's on Saturday, Feb. 1st. After the usual business of the meeting was disposed of, Mrs. Pugh, the president, was appointed an official delegate to represent the Stony Plain Institute at the annual convention to be held at the "Life of Whittier," which was greatly appreciated by all. Refreshments were served and the meeting adjourned and went to the town, where a very enjoyable evening was spent in games, singing and music.

Mrs. P. W. Lohy has left for Detroit, Michigan, to pay an extended visit to her mother, Mrs. Laird. Monday, Feb. 1st, witnessed much activity at Central school, where a large number of the parents met at 3 p.m. to assist the pupils in celebrating the birthday of the teacher, Miss Watson, who was completing her eighth year. After a few games were played Mrs. Lohy called the gathering to order and Florence Graden read an address to Miss Watson wishing her many happy returns of the day and little more than a year ago.

The happy occasion was presided over by Mrs. Watson, who was assisted by the ladies of the district, and after a few songs the gathering dispersed to their various homes. Auction sale seems to be the order of the day in the Stony Plain vicinity, good prices being realized for stock and machinery.

### BRIGHTWOOD.

**Bulletin News Service.**  
Funeral service for the late Mrs. T. Lamoureux, who died at her home at Riverside farm on January 29th, was held from her home and then at St. Joseph's church in Brightwood. Rev. J. H. Ross officiated, and interment was made at St. Joseph's cemetery. Mr. D. R. Harrington, Messrs. G. O. and J. F. Lamoureux desire to express their thanks for expressions of sympathy in their bereavement, also for the floral tributes.

Mrs. G. O. Lamoureux has arrived from Edmonton with her baby son, born on January 28th.

A meeting of the Women's Institute was held February 13th, at the home of Mrs. H. H. Smith.

### GLENHEUGH.

**Bulletin News Service.**  
Mr. H. D. Burch returned on Monday from the U.P.A. convention in Edmonton. He reports a very enthusiastic meeting of the U.P.A. convention.

Tommy Jones, who has been visiting with his family for the past week, returned to his home in Edmonton, on Wednesday. James Anderson, of Harbath, accompanied him to the city for a few days.

The special meeting of the U.P.A. convention, which was held at Edmonton on Wednesday night, was well attended. Mr. Burch gave a very interesting report of the convention at Edmonton. They decided to give a dinner at Harbath hall on Friday, Feb. 21st.

The three wives in the district are all working full time, which gives employment to quite a number of the settlers. Rev. Heath, the Baptist minister, who is located at Melville, holds services at Glenheugh every two weeks.

The weather during January was the finest winter weather ever seen in this district. The farmers have all taken advantage of the fine weather to get out their supply of wood for the following year. Mr. Senior, of Camrose, is doing the sawing. Mr. J. B. Shaw, M.L.A., left for Edmonton on Wednesday to attend the session.

Mrs. Brandt, of Belvedere, who has been very ill at the home of her sister, Mrs. Roberts, was taken to Edmonton on Friday that she was much improved.

Laurel Corp. Savage returned on Wednesday. Mr. Savage enlisted with the 48th in 1915, left for France in 1916, served in France till the fall of 1917, when he was wounded. He has been in England on duty since. We are all glad to welcome Mr. Savage home, he is the first one from the district to return from the front.

Glenheugh, Feb. 12th.

**PLANS FOR WORLD SUNDAY SCHOOL CONVENTION**

Toronto, Feb. 12.—Further announcement of plans for the holding of the world's Sunday school convention in Tokyo, Japan, next year, and for the raising of \$20,000,000 as a special fund by the Sunday schools of North America, were the principal items before the executive committee of the world Sunday school association and the international Sunday school association, meeting here Wednesday.

**NEWFOUNDLAND V.C.**

St. John's, Nfld., Feb. 12.—(Sgt.) Thomas J. Boleyn, Newfoundland's first Victoria Cross winner, who gained the distinction last October when only 17 years and 5 months old, last night was made the recipient of a purse of \$1,000 subscribed by the members of the City club at St. John's and will receive another \$1,000 from other sources within a few days. Boleyn is now residing at his home in St. John's, where he is enlisted as a private.

**BERLIN POLICE ARREST BOMBERS BY EMBASSY**

Berlin, Feb. 12.—Karl Hadel, the Russian Black Sea airman, who has been accused by the German authorities of being an instigator of numerous radical outbreaks in Germany, has been discovered and arrested by the Berlin police, according to a Berlin dispatch tonight. His whereabouts had been a mystery for some time.

**COL. GINGRAS DEPRIVED OF D.A.G. DISTINCTION**

London, Feb. 12.—(Canadian Association Press)—The King has directed that Colonel Guy Gingras, late lieutenant-colonel of the 22nd battalion, shall cease to be a member of the D.S.O. to which he was appointed Jan. 1, 1917, and that his name shall be erased from the register of the order.

## "Life's Remnants are Prized and Remade in Amazing Fashion"

The Salvation Army is a great RECONSTRUCTION FORCE. Broken things have ever been held in its heart and cared for by its hand.

Experience has equipped it for the work of tomorrow. It has followed and ministered to the troops in a way which has called forth the unequalled confidence and affection of our Armies. IT IS EQUALLY EFFICIENT and ready to apply its splendid agencies to the problem of RECONSTRUCTION.

No organization is more capable of adjusting its machinery to changing circumstances.

Until the last battalion is demobilized and is merged into the civilian life, there will be an unyielding demand for every ounce of energy, for every stout heart to help our men.

To do this the Salvation Army plans to help, and asks that you—REMEMBER the homeless Soldier, who returns to no comfortable home like yours; no loved ones awaiting with fluttering heart—They return to LODGINGS. The Salvation Army Huts overseas are "Home away from Home"—Their Hostels are "Home" for the Soldier who comes back to lodgings. REMEMBER the desolate wives, who came to their Hero husbands' homeland, but leave him under the sod in Flanders' Fields. For them the Army provides Receiving and Maternity Homes.

REMEMBER the orphan children of our heroic dead. Is there no mother-heart to treasure them? Yes! Thank God! The Army mothers them for you.

HELP THEM RENDER THIS LOVE-SERVICE ON YOUR BEHALF!

N.B.—Our Campaign for \$15,000 as this district's contribution to our World Campaign opens Tuesday next for four days. When called upon please remember that your contribution will help materially to accomplish our objective.

## HERE'S QUICK RELIEF FOR YOUR TIRED, STRAINED MUSCLES

When your muscles become tired and swollen and the joints become stiff, your circulation is poor, and your suffering makes you restless, an "Sloan's Liniment" gives you quick relief—relief from pain, relief from aching muscles, relief from congestion. It is easy to use and cleanses the skin. It is easy to apply and cleanses the skin. It is quick and does not clog the pores. It does not stain the skin. Made in Canada.

For sprains, strains, bruises, "black and blue" spots, "Sloan's Liniment" reduces the pain and eases the soreness. Certainly not for rheumatism, stiff neck, sciatica, lame back, toothache. You don't need to rub it—penetrate.

Its use is so universal that you'll consider Sloan's Liniment a friend of yours. Generous size bottles at druggists everywhere.
